of people in your party: _____

Desired # in fishing party (3-6): _____

Type of Trip desired: _____

Dates Available: _____

Payment Information: To be put on a make up list payment in full is required. We accept Cash, MasterCard, Visa, and American Express. Your money will only be refunded if we do not get a party together or if the captain calls a weather day. To receive your refund, you must come in person with your receipt to the booking desk between 9:00am and 5:00pm.

Thank you for signing up with Pirates Cove Marina; we will make every attempt to put a make up party together. Please make sure that the phone number(s) you provide are working number(s) in the area. We will not be responsible for unanswered phone calls, cell phones turned off, no voicemail, no service in the area, or misunderstanding of your trip date. It is your responsibility to call or visit the booking desk every evening between 4:30 and 5:30 pm to see if you have been put on a make up charter.

Once a make up has been put together the Captain will be notified and the members of the party will be called and informed. If for any reason you fail to call the booking desk or stop by during regular business hours resulting in you not showing up for a charter, you will forfeit your entire payment.

Please understand that you may not choose which boat you will fish on and must be willing to fish on any boat you are assigned to. All boats are chosen on a rotation basis, although boats are not reserved for make up trips. Full parties that book charters are given precedence as to boat preference and availability over make up charters. Therefore, it is possible that while you are waiting for a party to come together all the boats may become booked. All parties are put together in the order that they sign up. Parties will be put together no more than 7 days in advance.

Coast Guard limits the number of people on any charter boat to six. We also put parties of four or five together whenever it is desired, by splitting the cost of the charter equally.

Offshore boats depart at 5:30am, Nearshore boats depart at 6:00am and 12:00pm, and Inlet trips depart at 7:00am and 12:00pm. Please arrive at the boat 15 minutes in advance. Bring any food and drinks you desire in a small cooler. Also bring along any rain gear or clothing changes you may need. You may also need suntan lotions or motion sickness medication. All of these items are available in the Ship's Store.

I have read all of the information and agree to all terms and conditions therein.
